a. The mission of division artillery groups (DAG) is to reinforce by concentrated fire in the direction of main attack the regimental artillery groups (PAG). Division artillery groups are also employed to shell enemy reserves and command posts and for other tasks.

Organization: Troops of the division artillery, elements of the GHQ artillery and one M-8 and M-13 rocket launcher regiment (GMCh - guard mortar).

b. The mission of corps artillery groups (KAG) is to reinforce by concentrated fire the division artillery groups, to cover with destructive fire enemy reserves and command posts and to fulfill other tasks in the direction of main attack.

Organization: Troops of the corps artillery, regiment or other unit of the GHQ artillery and one M-8 rocket launcher unit.

c. The army artillery group (AAG) is formed to cover with destructive fire the enemy artillery and reserves and to neutralize enemy command and supply lines and rear service operations.
